PROJECT COMPASSION SUNDAY

The theme for Project Compassion this year is: **How Can We Give Lent 100%?**

In the coming weeks, we have the privilege of walking with some of our sisters and brothers who participate in Caritas programs, and who feature in the Project Compassion stories this year. How might we learn about living hope-filled lives in solidarity with one another and for the common good of our one human family? As the season of Lent approaches, we might consider: What could we do to commit ourselves to the flourishing of hope in our time? How can we give Lent 100%?

60TH ANNIVERSARY

Fr Peter would like to thank everyone for helping to make our parish anniversary celebrations such a happy occasion. He would especially like to thank the ladies of Rosary Care for attending to the preparation and serving of the morning tea. Thanks also to those Parishioners who provided the tasty sandwiches.

See page 3 for some of the photos — more available on our website.

A READING FROM THE HOLY GOSPEL **ACCORDING TO LUKE**

Jesus told a parable to his disciples, 'Can one blind man guide another? Surely both will fall into a pit? The disciple is not superior to his teacher; the fully trained disciple will always be like his teacher. Why do you observe the splinter in your brother's eye and never notice the plank in your own? How can you say to your brother, "Brother, let me take out the splinter that is in your eye," when you cannot see the plank in your own? Hypocrite! Take the plank out of your own eye first, and then you will see clearly enough to take out the splinter that is in your brother's eye.

'There is no sound tree that produces rotten fruit, nor again a rotten tree that produces sound fruit. For every tree can be told by its own fruit: people do not pick figs from thorns, nor gather grapes from brambles. A good man draws what is good from the store of goodness in his heart; a bad man draws what is bad from the store of badness. For a man's words flow out of what fills his heart.

Next year a forum is being held to discuss the future directions of the Catholic Church in Australia. It's called a Plenary Council.

In advance, ordinary Catholics are being asked to suggest topics for consideration by the council.

The country's bishops say they're willing to move beyond 'business as usual'.

You can submit your thoughts on the future of the church by logging onto a website before Ash Wednesday (6 March) and typing in your ideas and observations.

Go to **plenarycouncil.catholic.org.au** and scroll down to the green button called "Have Your Say". Then go to the panel that says "Submit your response - click here". Then fill in all or any of the blank text boxes you wish to contribute to.

Numerous parishioners have already followed this process, either individually or through groups.

The council organisers are hoping to hear from many voices.

THANKS TO **KEVIN SUSAI**

The Parish Pastoral Council has recently reconvened for 2019 in the absence of its previous chairman, Kevin Susai.

Kevin served in a leadership role on the council for many years and retired from the position at the end of 2018.

Fr Peter, Fr Chinh and the ongoing council members wish to record their heartfelt gratitude to Kevin for his strong and enduring contribution.

The council made substantial progress in enhancing our parish during the time of Kevin's leadership.

Happily, Kevin and Elizabeth continue to participate in the life of our parish in other capacities.
